AFTERWORD

7

TA-DAAAAAA!

MIO-SAMA

Once again, thanks so much for purchasing *The Testament of Sister New Devil* Volume 7.

Volume 7 was a volume that had a lot of deep emotional investment in it for me, since it included Maria and Mio's first meeting with each other and the second installment of a Maria-centered manga.

To be honest, I felt the seriousness level in this volume really shot up a few notches, and I felt it could use some good ol' fashion erotic fun in it, so I included that burst of erotica with Maria. To be honest, I feel that *Sister New Devil* is one of those stories that tugs a bit at the heart strings.

Next volume we'll see Zolgia again and the climax! I'll do my best, so please look forward to it!

See you again in Volume 8!!

READING DIRECTIONS

This book reads from *right to left*, Japanese style. If this is your first time reading manga, you start reading from the top right panel on each page and take it from there. If you get lost, just follow the numbered diagram here. It may seem backwards at first, but you'll get the hang of it! Have fun!!

TRAITOR!

Mio's been captured by the man who destroyed her family! Just when she thinks all hope is lost, Maria makes an appearance—but is the succubus really there to save her? Meanwhile, Basara is trying desperately to get Lars to tell him where Mio's been taken, but Lars won't give up her location without a fight. Everyone's showing their true colors in this high stakes volume of the devilish high school drama!
